ELIXIR Communications

ELIXIR All Hands 2022, 7-10 June, Amsterdam, Netherlands

Who we are

Zippy Tseng
Communications Officer

Elaine Westwick
Communications Officer

What we do

The communications team develops the content and channels to communicate ELIXIR and its impact to key stakeholders.

ELIXIR news releases and the Weekly Brief

- https://elixir-europe.org/news
- Weekly Brief - every Monday to all ELIXIR members

Social media and videos

Twitter: @ELIXIREurope
LinkedIn: linkedin.com/company/elixir-europe
YouTube: http://bit.do/elixir-videos

ELIXIR project communications

- BY-COVID, B1MG, FAIRPlus and ELIXIR-CONVERGE

Industry communications

- Regular newsletter and event communications

ELIXIR event communications

- Communications for events run by the Hub, e.g. the BioHackathon

ELIXIR F1000R channel

- The opportunity to publish scientific and technical papers in the ELIXIR F1000Research channel.

- https://f1000research.com/gateways/elixir
- f1000editors@elixir-europe.org

ELIXIR Reports and Publications

- Annual Report and Scientific Programme

How we can help YOU

- Use ELIXIR communication channels (social media, newsletter, website) to promote your news
- Provide logos, templates and branding guidelines
- Give communications training and advice
- Pay F1000Research ELIXIR channel processing fees

New! Communications Focus Group - scan to join:

info@elixir-europe.org

How YOU can help us

Tell us when you:

- Have content for the ELIXIR Weekly Brief
- Publish an ELIXIR related paper
- Have exciting news to share

info@elixir-europe.org

The Impact Comms project

The Impact Communications project puts impact at the heart of ELIXIR's communication strategy.

The aims of the project are to:

- Create an impact-centred strategic communication process
- Communicate the results of ELIXIR's work on measuring impact
- Run targetted impact-based communication campaigns
- Provide training for the ELIXIR Hub and Nodes on "Impact thinking in communications"
